Folks, we need to add a talking point on ag in the rollout plan talking points. The question will be asked. I can draft something up to add.

Couldn't we just pull out the talking points from the rollout plan?

I do not hold the pen on any of this - the talking points are the ones in the rollout as provided by Joelle Gore. She is the NOAA lead.

I have held 3:30 to 4:30 on Will's schedule so there's time for the two of them to talk beforehand.

Hi Folks:

We had a good chat with Michael M. this morning and here's our plan:

Ex. 5 - Deliberative

Ex. 5 - Deliberative

Let me know if you have any questions about this.

Thanks.
